Together We Make a Difference.

Dear Parents and Carers,

Messy Moments Science Play

Thanks to Durham Road staff who organised Messy Moments incursions over the last few weeks. Children from the Kindy, Pre Primary and Satellite classes had such fun playing with slime, paint, rice, shaving foam, playdough, water and Oobleck.

Many thanks to Rennae for organising Messy Moments for our Playgroup as well. It was a fantastic morning.

Thank you Room 2 for your Pop Art designs. They were so good that they are on display in the foyer rather than just in my office!

Literature Centre Incursion

As it was too expensive for all our students to go to the Literature Centre in Fremantle, the Literature Centre came to us last week. Interactive workshops focusing on literature, writing and illustration were held in the Library by Sarah Dyson an experienced Education Officer. Years 2 and 3 enjoyed Moonwalkers by Mark Greenwood and Terry Denton, Sat 2, 3 and 4 as well as Year 1 enjoyed Fabulous Friend Machine by Nick Bland and Years 4/5 and 5/6 Jandamarra by Mark Greenwood and Terry Denton. Sarah also complimented us on the enthusiasm, engagement and behaviour of students at our school.

Oval Playground

It is fantastic that the playground on the oval is used after school. For the safety of our children it is essential that the children are supervised by an adult. We have had a few unfavourable incidences occurring with older students outside of school

Staff Assembly

This Friday, the staff will be doing their annual assembly item to entertain the students.

Parents are welcome to attend for a bit of a giggle too!

Hampton Senior High School are pleased to host a Parent Information Evening by the Department of Education's Gifted and Talented Unit for the 2021 intake. You are invited to attend and learn more about the opportunities available for your child. Your child can discover a world of opportunities in Gifted and Talented Secondary Selective Entrance Programs.
