A Maze of Story

Nathantaul Chomicki, James Guanzon, Nathan Kollar, Junyuan Lin, Leon Lin, Conner Lowden, Marylin Makubaro, Chevelle Mauceri, Aziza Rafique, Malachi Russell, Sharlene Tran and Jimmy Yang were twelve of our students who were selected to participate in a series of creative writing workshops. Each group of two students had a volunteer mentor to work with them and the Story-Weaver was Zoe Deleuil. All their stories were published and last week, each student was presented with their own book. We also have one for the Library. We thank Gae Oaten, the Chairperson and Founder of A Maze of Story and all those who worked with our students. They were very excited to see their stories in print!

Embleton’s Trash and Treasure

A HUGE thank you to all the staff, students and community members who supported the school on the weekend. It was a terrific atmosphere with everyone doing what they could to help. I was extra proud to be the Principal of Embleton Primary. We raised $1685 on the day! Whoo hoo! Let me know if you think it was worthwhile and we should run it again next year.

SUSTAINABILITY NEWS

We now have two worm farms in operation one outside the Pre-Primary classroom and the other outside Kindy. Students from Pre-Primary have been learning about recycling and are collecting food scraps each day for our farms. The worm juice from each worm farm is being used to fertilise our gardens.

We would like to run a Nude Food Wednesday this month so stay tuned for further announcements.

Remember to keep bringing your batteries in.

CHANGE OF CONTACT DETAILS

It is essential that all parents and caregivers provide up to date details to the school. If you have changed any details, please contact the front office so these can be updated.

Thankyou
