Congratulations to the Year 2/3 students for their presentation of 3Dimensional shapes at their assembly. What a great way to learn about the properties of 3D shapes.

At our ANZAC Day service this year, Alanna Clohesy the member for East Metropolitan Region noticed our Australian Flag looked a bit raggedy. Thanks to Alana, we now have a brand new Australian Flag presented to the school.

Voting for Our School’s a Star competition starts on Monday 15 June and ends Friday 26 June. The link will be on our school Website. A huge thank you to Michael and Sarah from Durham Road for putting it all together.

In the last newsletter there was an article from Helping Hands Network for providing Outside School Hours Care (OSHC). Unfortunately, the organisers contacted me this week to say that the service would not be able to go ahead this year as the bus service to and from the school would not be viable due to start times and finish times being the same for many schools. They do hope to run it for the 2016 school year.

School Car Park
At the end of the day, students are eager to get home and parents eager to pick them up. I understand that it can be frustrating getting a parking space close to school but ask that you do not park on the lawns and pavements on the corners of the parking bays. It is very hard to see the little ones who are often not aware of cars reversing.

Tea Towels
All our students have finished their beautiful self-portraits for the tea towel fund raiser. The pictures have been sent in and we are awaiting the proof of the final design. Orders for the tea towels can still be taken until further notice.

Sheryl Pilkington
PRINCIPAL

CHANGE OF CONTACT DETAILS
It is essential that all parents and caregivers provide up to date details to the school. If you have changed any details, please contact the front office so these can be updated.

Thankyou

4 YEAR OLD KINDERGARTEN APPLICATIONS FOR YEAR 2016
Kindergarten Programme: Office staff are currently taking Applications for Enrolments for children who will turn 4 years of age on or before June 30, 2016.

Birth Certificates and Immunisation Records for each child MUST be presented when completing an Application for Enrolment.
**Parents & Citizens News**

**Sustainability News**
Hi guys don’t forget to bring in any leftover batteries you have at home down to room 3 for recycling.

We will be looking for some responsible students to help look after our worm farm in term 3.

Remember Captain Cleanup says you can save water at school by turning taps off when you are not using them; making sure that the sprinklers are only watering the garden and by using the correct button on the toilet when flushing. Keep an eye out for leaking taps or running hoses. If we all work together then we can save water and help the school as well.

**BOOK FAIR**
A huge thank you to Miss Lesley Affleck and Mrs Sabrina Tiong for the help given to Miss Letizia in setting up and running of the bookfair over both days. Thank you also to Mrs Natasha Djukic, Mrs Rosalie Zante, Mrs Chummy Warakagoda and Mrs Insun Kim for coming in and assisting with sales. Without the help of these amazing volunteers bookfair would not be possible. We had an outstanding result in sales reaching $2,484 with over $700.00 in commission for books purchased for the Library.

The lounges have arrived in the Library and look fantastic. Thanks to our P&C for their donation. Both staff and students are really enjoying a nice place to come in to relax and read a book.

There are lots of 20cent books also still available in the library. Please come in and have a look and grab a bargain. Although used there are some good books available.

Miss Letizia
Library Officer
